WHAT TO BRING

All apparel and personal care items should be marked with the resident's name. An indelible marker is available for your use at each nurse's station and the social service's office. To ensure the safety of our residents, certain items cannot be kept at the bedside. Please check in the following items brought in for a resident at the nurse's station:

- **Medications, including over-the-counter drugs**
- **Tobacco products**
- **Medicated ointments**
- **All aerosol spray cans, including deodorant and hair spray**
- **Any product labeled "Harmful if swallowed" or "Keep out of reach of children," including nail polish remover**
- **Valuables including credit cards, jewelry, checkbooks, and cash – we cannot be responsible for unsecured items**

All electrically operated equipment, such as televisions, radios, clocks and razors must pass a safety check prior to use in our facility. Please leave electrical items, with resident's name written clearly on each piece of equipment, with our nursing staff. They will contact the appropriate person to give the safety check.

All food items brought into the facility should conform to the resident's physician-ordered diet and must be stored in an air-tight container marked with the date the item was brought in and the name of the resident. Please notify the nurse's station when bringing food into the facility.

All medical equipment, including wheelchairs, walkers, canes, and geri-chairs brought in for resident's use must be checked-in by a nurse so that it can be properly tagged and inspected for safety.

Residents welcome greeting cards, plants, and flowers. When flowers are faded or plants have died, however, we will discard these items. Please mark the resident's name on the bottom of the vase if you want it to be kept for pick-up.

Due to fire safety regulations, resident rooms must be kept free of clutter and potential accident-causing hazards. For these reasons, we must ensure that personal items are stored properly and securely.

If an item is lost or misplaced, please check with the administrator or the social services department for assistance in locating your item.
